

Uniform Policy

Canadian International School Bangladesh

A private school uniform is an image of the school to the public eye. The Canadian International School (CIS) wishes to present to the public and all our stakeholders a positive image of our school, and uniforms are part of this image.

Students from Grade 1 through to Grade 12 are required to wear school uniforms. Uniforms are available through the school by a designated tailor at a reasonable cost.

PE strip may be worn in replacement of the school uniform during the hotter months (between 1 April and 30 October).
