INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME

Canadian International School Bangladesh is an IB world school offering the International Baccalaureate's Organization Diploma Programme. This outstanding pre-university course of study is designed for highly motivated students in eleventh and twelfth grades. It is a comprehensive two-year curriculum, designed for students seeking a challenging and rigorous educational experience with a unique international minded, cross-curricular focus and exceptionally high standards for achievement.

The IB program is designed to provide students with a balanced education through comprehensive studies of languages, sciences, mathematics, and humanities, along with community involvement.

Canadian International School Bangladesh will be offering the following IB Courses :

HL or Higher Level course requires 240 hours of Instruction and cover a broader range of topics. SL or Standard Level courses require 150 hours of instruction and cover fewer topics.

DIPLOMA PROGRAMME REQUIREMENTS

The IB Diploma candidate must complete six IB courses and their corresponding examinations, within the final two years of high school. A minimum of 3 HL courses but no more than 4 must be completed. In addition, students must:

- Take Theory of Knowledge-an interdisciplinary course intended to stimulate critical reflection on knowledge and experience gained inside and outside the classroom.
- Complete the Extended Essay-a research paper of about 4,000 words, which allows the student to explore a topic of personal interest.
- Complete at least 150 hours of CAS-the demonstration of Creativity, Activity, and Service in relationship to school and community.

Successful completion of the full IB Diploma Programme earns the student recognition for university admission, course credit and advanced placement at leading colleges and universities in the world. The greater value lies in the program's intrinsic worth as a challenge and symbol of the greater achievement to which some students aspire.

IB DIPLOMA PROGRAMME

PROFILE OF AN INTERNATIONAL BACCALAUREATE DIPLOMA STUDENT

Canadian International School Bangladesh encourages all students who want to challenge themselves academically to consider pursuing an IB Diploma.

Both parents and students need to realize that the nature of the curriculum and assessments is to prepare students for rigorous, college-level work. Students are required to complete the IB internal and external exams for each IB course in which he or she is enrolled. Each student's performance will be assessed according to pre-established criteria set by the International Baccalaureate Organization.

The successful IB Diploma student is: self-motivated and supported by learner family, has a desire to challenge him/herself intellectually, possesses or is willing to acquire analytical/critical thinking skills, participates in school and community activities, is receptive to new ideas and different beliefs, possesses or is willing to acquire time and stress management skills.

INDIVIDUAL DIPLOMA PROGRAMME COURSE OPTION

Students may take individual IB courses and receive scores for the courses and examinations they successfully complete. Most colleges award credit for successful completion of HL courses. Some colleges award credit for both HL and SL courses. Refer to the individual college IB credit policies in the IBO website for more information.

ADMISSION REQUIREMENTS

There is no formal application for the IB Diploma Programme or individual IB courses. Any interested student may pursue the IB Diploma or the IB Course offerings as long as the student has a 60% pass mark in SSC, MYP, O Levels and regular Nova Scotia. Interested students are encouraged to meet with the IB Diploma Programme Coordinator during the course selection and scheduling processes.
