YEAR BOOK
2024-2025

High Commission of Canada

Haut-commissariat du Canada

Dear Graduates,

It is my pleasure to congratulate the class of 2025 at the Canadian International School of Bangladesh (CISB) on reaching this important milestone. Your achievement is the result of your hard work and dedication, as well as the support and efforts of your teachers and parents. You should all take immense pride in what you have accomplished as individuals, but also together.

As graduates of a Canadian international school, you are part of a community that reflects the values of inclusivity, equality, and global citizenship. These principles have never been more important in today's interconnected world.

Whether you are heading to universities in Bangladesh or Canada, or exploring new paths elsewhere, carry with you the commitment to make a positive impact. I trust that the education you have received has equipped you with knowledge, but also with the ability to lead, innovate, inspire, and collaborate across borders.

As the High Commissioner of Canada to Bangladesh, I am proud to witness the strong ties between our countries through institutions such as the CISB. You are ambassadors for Canada and Bangladesh - bridging our cultures, ideas, and aspirations. In the coming years, I look forward to hearing about all the amazing things you will have accomplished as you pursue your next steps empowered with the excellent education, skills, and leadership that CISB has provided you with.

On behalf of the High Commission of Canada, I extend my warmest congratulations to you, your families, and your teachers. Celebrate this moment and continue to pursue excellence in everything that you do.

Ajit Singh
High Commissioner of Canada to Bangladesh
Dhaka, Bangladesh

One of the biggest pleasure in life is seeing children grow and fulfill their dreams. It is an honour to be a part of the development of a child and share and participate in their successes. Even greater is being able to guide them on their paths and be a part of the achievements that change their lives. Canadian International School Bangladesh (CISB) has been exceptionally lucky to have the opportunity to bring changes in so many children's lives. CISB maintains the simple goal "contributing to the betterment of self for society".

Another key component for our student's success is the affiliation with the Ministry of Education in Manitoba Canada and our partnership with the High Commission of Canada to Bangladesh. The constant support and guidance that we have been receiving from them makes us continuously strive. for a better quality of education and we are very grateful .

starting from our small campus in Banani, to our present bigger campus we have today, and finally to the plan of shifting to a world-class campus three-acre like lake view campus at Purbachal Green City in the near future. finally it is time to celebrate the landmarks we achieved in the past and look ahead to the future. Throughout the years, we have had the privilege of working together with the professional Canadian accredited teachers, supportive parents and our diligent students. I would like to take this opportunity to thank all the stakeholders who have been a part of CISB in the journey.

We are proud of our graduates that are representing CISB, and Bangladesh, at top universities all over the world. We welcome new faces, eager to learn, just the beginnings of an endeavor of endless possibilities.

Mohammad Kamal Uddin
Chairman
Canadian International School Bangladesh

I extend my heartfelt congratulations to the students of the Canadian International School Bangladesh (CISB) for their exceptional achievements throughout the year, both in their academic pursuits and extracurricular endeavors. While schools are often perceived as mere institutions for imparting knowledge and measuring success through grades, our philosophy at CISB encompasses a far broader vision. We are committed to ensuring our students not only reach their full academic potential but are also truly educated to become well-rounded individuals. We believe this holistic approach will enable them to leverage their accomplishments to open future doors and navigate life's challenges with confidence.

In a world defined by constant change, the ability to adapt has become a paramount skill. The co-curricular and extracurricular programs at CISB are specifically designed to equip our students with the skills, values, and attitudes necessary to thrive in these challenging times. These activities cultivate innovation, creativity, teamwork, and critical thinking, while also fostering empathy and a willingness to take calculated risks.

Furthermore, our school is dedicated to social responsibility. Through our community service and charity programs, we instill in our students a sense of duty to those less fortunate. I am confident that these experiences will produce the leaders of tomorrow—individuals who will take decisive, responsible action to create a positive impact on our community, our society, and the world at large.

I would like to express my sincere gratitude to all the parents and staff for their invaluable support, which has been instrumental in our students' success. To our graduates, as you embark on a new phase of your learning journeys, we wish you all the very best. We encourage you to continue striving for personal betterment and to contribute meaningfully to society, thereby making the world a better place.

I hope you enjoy this wonderful production and cherish every memory. We remain consistently humbled by the dedication of our teachers and the unwavering enthusiasm of our students.

“To everyone who brought heart and purpose to our school community—Parents, Students and Teachers alike.”

As we close another meaningful chapter at CISB, we celebrate the incredible journey we have taken together. This year has been marked by perseverance, creativity, and collaboration—both in and beyond the classroom. Our students have grown not only in knowledge but in character, and our teachers have continued to light the path with dedication and care.

The yearbook you hold is more than a collection of pages; it is a snapshot of memories, friendships, and milestones that have shaped our school community. Each photo and story are a reminder of how far we’ve come and the promise of what lies ahead.

Let us carry forward the values we cherish at CISB—respect, integrity, compassion, and a passion for lifelong learning. May you always be guided by purpose, driven by curiosity, and grounded in kindness.
